Our JOY is not found in life's circumstances regardless of whether those were the best of times or the worst of times. We can be celebrating any number of victories, achievements or accomplishments before we realize those celebratory occasions are temporary based only on the circumstance of the moment. At other times, we may be experiencing a deep dark depression or valley of despair over some loss or failure. Dreams that are broken and disappointments that life brings are still just circumstances of the moment and they, too, are temporary. True JOY is found only through Jesus Christ and what He brought to us through His sacrificial death on the cross of Calvary! Many times we get caught up in the moment and fail to look at the entire plan from God's perspective. I want to share some moments of joy and times of storms from my life and cause you to develop an attitude of gratitude to our Lord and Savior Jesus Christ for what He does for us. God deserves our Glory and Praise for He is Worthy!!
