Stephen King

Duma Key (Spanish Edition) Stephen King

No es mas que una linea negra, sobre la pagina en blanco. Una linea del horizonte, seguro. Pero tambien es una grieta por la que verter la negrura. Edgar Freemantle pierde el brazo en un terrible accidente que tambien le retuerce la mente y la memoria para dejarlo lleno de rabia, y solo rabia, cuando empieza el proceso de recuperacion. Su matrimonio, que le dio dos hijas maravillosas, se ha roto y el quisiera no haber sobrevivido a las graves heridas que le produjo el percance. Quiere huir. Su psicologo, el doctor Kamen, le propone ""una cura geografica"", una nueva vida lejos de la gran empresa de construccion que Edgar habia creado. Y le sugiere algo mas: - Edgar, hay algo que te haga feliz? - Solia dibujar. - Retomalo. Necesitas protegerte... protegerte contra la noche. Edgar abandona Minnesota y alquila una casa en Duma Key, un terreno alargado de una belleza deslumbrante y extranamente salvaje en la costa de Florida. Oye las voces de las puestas de sol en el golfo de Mexico y las conchas que arrastra la marea. Y comienza a dibujar. En la playa entabla amistad con Wireman, otro hombre a quien le cuesta hablar de sus heridas, y con Elizabeth Eastlake, una anciana enferma, cuyas raices se entrelazan con el propio Cayo. Ahora Edgar pinta, a menudo con una aceleracion frenetica, y descubre en si mismo un talento extraordinariamente peligroso. Muchos de sus cuadros contienen un poder que ni el sabe controlar. A medida que se van descubriendo los fantasmas de la infancia de Elizabeth, el poder destructivo de los cuadros se convierte en algo realmente devastador. La tenacidad del amor, los peligros de la creatividad, los misterios de la memoria y la naturaleza de lo sobrenatural. Con todos ellos, Stephen King nos ofrece una novela tan fascinante como terrorifica.
