Grizzled: The Beast Within (Bear Shifter Paranormal Romance) Fannie Tucker

A man on the brink of losing control, and the woman who believes in his strength...

Tabitha never expected to find romance in the isolated wilderness of Montana. Her brief affair with a rugged mountain man has left her exhausted and happy, but Grant's passions bring the beast inside him to the surface. He knows it's only a matter of time before he loses control and the bear takes over. They both know that she can't stay.

But the mountains hold other dangers, and when Tabitha strikes out on her own, fate will bring them back together and test both Grant's strength and Tabitha's resolve.

This 8,800-word continuation of *Grizzled: The Mountain Man's Secret* contains a steamy encounter between a woman and a burly bear shifter.
