This book appears to be an excellent way for Nigerian and other students to maximize their study and achieve success.... It is both informative and helpful....More helpful advice is given about improving an individual's ability to learn, such as answering questions, memorizing along with essentials like exercise, food and water....I am sure many students would welcome such good advice about studying. Carol Jefferies Author, "Chase of a Ewe-lamb" An interesting study book. I found it well written and instructive. You've done a nice job. It's obvious that you've researched this and have done a great job at relating what you've learned. This would be a good book for every student. Shiloh Author, "Courage Through Faith" I found your book a blessing. I had a friend who had to take the nurses exam three times, not because she didn't know the material, but because she got so scared at test taking time. Your book would've been a blessing to her and many others like her. There is a large market for this book. I'll hope it finds its way into people's hands soon! God bless!!! Elizabeth Kathleen Author, "If Children are Cheaper by the Dozen, Can I Get a Discount on Six?" "The Sticks and Stones of Hannah Jones" Inches make champions" -Vince Lombard Plato was not wrong when he posited, "The learning and knowledge that we have, is at the most, but little compared with that of which we are ignorant". Therefore, the author of this book, in just few pages has revealed to you how to make straight A's in any examination. However, this book is a product of the author's experiences as the overall best in all the academic pursuit he at one time or the other ventured into. It is also a product of the inspiration of the Holy Spirit, who teaches ALL things. You are not permitted to fail after reading, studying and practicing the contents of this book. This is because the book shall empower you with all that it takes to be launched into academic excellence. You shall NEVER be a victim of examination malpractices after reading this book. It is settled! Therefore, this book will help you to: Know the scientific method of studying. Learn to remove fear from your life entirely. Overcome the 25 major reasons why people fail exams. Learn to tackle examination questions with confidence and maturity. Study more in less time/period and many more. -The Author.
