The King Of The South 2: "Every King Needs A Queen" Blake Karrington

In this highly anticipated sequel to the number one best seller, Blake Karrington once again takes you into the world of Ronnie King and Sloan Devaxx.

King is facing one of the hardest trials of his life as he is falsely accused of murder and must fight for his freedom and his life. The truth can be harder to prove than a lie, especially when the liar is a public servant. The one saving grace is knowing that his family and the love of his life are there to back him every step of the way.

For Sloan, life couldn't be more perfect. She has the man of her dreams and the beginning of the career that she has always envisioned. But Deshawn, her ex, is determined to take one, if not both away from her.

Behind every great man is a great woman. Well, in Yogi's case, she's the backbone of two great men, and both are putting her strength to the test. While fighting for her son, she is now faced with a new reality that could destroy her marriage.

Carlton has always enjoyed all of life's pleasures. But has one finally caught up with him? Or will he be able to escape yet another indiscretion?

Heavy is the head that wears the crown. Will King still be on the throne when the smoke clears?
