Lord and Servant: A Covenant Christology Michael S. Horton

Building on *Covenant and Eschatology: The Divine Drama*, this volume is part two of a three-part project surveying essential topics of Christian theology through the lens of covenant. In *Lord and Servant: A Covenant Christology*, Michael Horton explores the topics that are generally grouped under the doctrines of God, humanity, and Christology. Rather than attempt a general systematic theology, Horton revisits these topics at the places where covenant and eschatology offer the most promising insight and where there is the most contemporary interest and debate.
