What is it that you personally love about a pickle? And by pickle we don't just mean dills and bread and butters. We are talking about a variety of fresh pickled goods from crisp asparagus to spicy jalapenos. Is it the delicious crunch or snap, the satisfying burst of juiciness that escapes into your mouth or is it the anticipation of a little bit of pucker with all abundant flavor that comes with the first bite? It seems as though the way we like our pickles is individualized and personal, which each of us having different tastes and a different idea of perfect. The problem with finding the perfect pickle to suit our tastes is that the jars that line the shelves of the grocery store were created by someone else, with someone else's standards for flavor and quality. What if it were possible to create the ideal pickle, fresh from your kitchen, not the packaging plant?

This book of amazing pickles gives you the opportunity to do just that. Whether it is the fresh, crisp flavor you are after or if you are interested in not only the taste, but many health benefits of lacto fermented pickles, this book covers them all with a description and instructions for canned hot water bath pickles, refrigerator pickles and lacto fermented pickles as well, along with great, flavorful recipes for each. This book keeps it traditional, but is also pushes the envelope a little with some fresh takes on pickling flavors. This is the perfect starting point for your home pickling adventure. Put down that store bought jar of pickles and get busy making your own, the easy and healthy way.
