-- Too Young To Die --

Upon reaching seventeen years of age, all residents of the planet Valhalla are required to serve in the Sentinel Fleet. It's a fate young Robin and her friends must live with; chances of surviving their enlistments are bleak. Countless Sentinels have already perished in a war that has lasted for over a century, and with each succeeding generation, hopes for an end to the conflict diminish. Relentless combat between the Sentinels and their longtime enemy has only resulted in a lengthy stalemate. But when Robin's battalion is selected to receive special training, a series of events is set into motion that will shake things up on both sides of the conflict. The Sentinels are faced with an unexpected threat ... and defeat may be closer for them than they realize. Book #1 in the *Sentinels* Saga. The Sentinels will return in *Childhoods Lost*.
