The Ascension Factor (Pandora Sequence Book 3)

Frank Herbert, Bill Ransom

The Ascension Factor (Pandora Sequence Book 3) Frank Herbert, Bill Ransom

Pandora's humans have been recovering land from its raging seas at an accelerated pace since The Lazarus Effect. The great kelp of the seas, sentient but electronically manipulated by humans, buffers Pandora's wild currents to restore land and facilitate the booming sea trade. New settlements rise overnight, but children starve in their shadows. An orbiting assembly station is near completion of Project Voidship, which is the hope of many for finding a better world.

Pandora is under the fist of an ambitious clone from hibernation called The Director, who rules with a sadistic security force led by the assassin Spider Nevi. Small resistance groups, like the one led by Twisp Queets and Ben Ozette, have had little effect on his absolute power. The Director controls the transportation of foodstuffs; uprisings are punished with starvation.

The resistance fighters' main hope is Crista Galli, a woman believed by some to be the child of God. Crista pools her talents with Dwarf MacIntosh, Beatriz Tatoosh, and Rico LaPush to transcend the barriers between the different species and overthrow The Director and the sinister cabal with which he rules.

Book 3 in Herbert & Ransom's Pandora Sequence.
