The Conquest of Peru

William H. Prescott

The Conquest of Peru William H. Prescott

No history of the conquest of Peru, founded on original documents, and aspiring to the credit of a classic composition, like the "Conquest of Mexico" by Solis, has been attempted, as far as I am aware, by the Spaniards. The English possess one of high value, from the pen of Robertson, whose masterly sketch occupies its due space in his great work on America. It has been my object to exhibit this same story, in all its romantic details; not merely to portray the characteristic features of the Conquest, but to fill up the outline with the coloring of life, so as to present a minute and faithful picture of the times. For this purpose, have, in the composition of the work, availed myself freely of my manuscript materials, allowed the actors to speak as much as possible for themselves, and especially made frequent use of their letters; for nowhere is the heart more likely to disclose itself, than in the freedom of private correspondence. I have made liberal extracts from these authorities in the notes, both to sustain the text, and to put in a printed form those productions of the eminent captains and statesmen of the time, which are not very accessible to Spaniards themselves.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
