## **An American Witch's Book of Spells: Nine Generations of Formulas that Work** Alex G. Bennington

This occult book is a comprehensive guidebook from the perspective of Nine Generations of American Witches. This "living" generational "Book of Shadows" is a complete collection of once secret, ancient magic rituals with spells, charms, amulets, protection, talismans, and other practical sorcery. There are many spell books on the market, but the type of spells within the pages of this book simply have not been shared outside of the family until now. A Real Witch adroit in the craft would find the information within this book valuable. Although it is not recommended for a layman, a novice could use this book successfully for the spells are complete, ingredients and directions are concise and detail oriented. Additionally, although this is a non-wiccan book, there are many spells that a wiccan witch could use by adapting it to their principles. This book has been updated as of 3/19/2013, with 90 additional pages of spells and valuable information. Ingredients are provided in US and Metric measurements for Universal appeal. Formulas include, but are not limited to: Protection & Security, Abundance & Prosperity, Love & Attraction, Banishment & Uncrossing, Business, Success & Legal matters, Spells from the dark-side, Exorcism, making Magical & Tallow Candles, how to make formulas for incense, oils, potions, specialty baths, & floor washes. Additionally, thorough information regarding "Timing" is included to insure the success of your workshop and Ceromancy, reading the candle and the flame. This book would be a great addition to the library of any witch or person with occult interest.
