**Hellboy: Seed of Destruction #4 (Hellboy Vol. 1)** John Byrne, Mike Mignola

"For years, pop-culture cultists have revered and adored a mysterious, brooding thirteen-year-old girl named Emily the Strange. Nobody knows much about the young girl with a porcelain face and huge eyes framed by black bangs, and her ever-present brood of black cats only adds to the intrigue but that hasn't stopped a generation of rabid fans from letting Emily put her spell upon them. Now Emily fans are invited into her odd, mysterious world a place where kitty friends talk, the ghosts of famous weirdoes come out to play, reality is never quite what it seems, and above all anyone who's ever been considered a little "strange" herself will be made to feel right at home. Dark Horse Comics and the creative minds behind Cosmic Debris are thrilled to present the second issue of *Emily the Strange*, with all-new stories and art. This issue features forty-eight pages of black, white, and red art (with the occasional outburst of full-color freak-outs!), illustrating a wacky range of Emily stories. Emily the Strange is the star of a best-selling line of merchandise and fashion accessories from the creative brain trust known as Cosmic Debris. Visit [EmilyStrange.com](http://EmilyStrange.com)."
