I am only Lassana Bathily! A simple Hyper Cacher Supermarket worker who happened to help and save others! Yes, a Muslim can engage in acts of kindness, compassion, and humanity. Jews, Muslims, Christians, Catholics or whatever else, we are on the same boat. We perceive, face and react to danger the same way. We have to work together to face the crisis of our time. In this ebook, I want to thank everybody for all their kind messages for what is now known as my 'heroic act of kindness and compassion.' I did not know anything else to do other to give shelter to scared customers running down to the basement where I was working. After hearing the booming noise above and seeing the clients running down, I knew something bad was going to happen. I had to offer SHELTER at my own risk. At my own risk, I wanted to face the bandit. The content of this ebook tells you a little bit about myself, my humble origins in Mail, Africa, my desire to reach out and help others in need and my philosophy on mutual aid and love on this earth.
