More than a Man (Futuristic Erotic Romance) Emily Ryan-Davis, Elise Logan
Manporium. It's where women of The Future go to buy the men of their dreams.

Genetically engineered to the bride's specifications, a Manporium husband is a perfect husband. At least, that's the theory. But twice-widowed Noelle Lytton shook Manporium's flawless track record when both her first and second husbands died tragically while pursuing interests she engineered into their makeup. Desperate for the perfect marriage she's always dreamed of, she knows her third Manporium husband will be her last. It's this man or nothing.

Vegetarian. Generously equipped. Dominant in bed. When Aya Lytton emerges from Manporium's creation chamber, he knows exactly what he is: custom-made for his bride. Noelle's wish list made her desires perfectly clear. But her desires have nothing to do with his overwhelming need to be more than just the man she created. He'll use every advantage he has to convince Noelle he's not just her match: he's irreplaceable.

Warning: Sometimes things don't go quite as expected at Manporium. A bride's wish list is, er...subject to interpretation and a man might come out with extra appendages and a mind of his own.

"I love this story! It's bursting with imagination and emotion. I wish I'd written this. It takes incredible talent to weave elements of D/s and hentai into a futuristic love story so tender and yet breathtakingly hot...If you need a break from the same old erotic romance, you have to read this book!" - Robin L. Rotham, ALIEN OVERNIGHT, www.robinlrotham.com

"Fantasies I never knew I had were fired up by "More Than A Man". Not just a hot, sexual read, but filled with poignant emotion and edgy feeling. This story showcases everything I love about these two talented authors." - Jennifer Leeland, MARKED FOR PLEASURE, www.jenniferleeland.com
