The Daily MASH Welcome to the Mental Hospital Neil Rafferty

"The Daily Mail - Like spending 20 minutes in a mental hospital." 'Welcome to the Mental Hospital' is the latest hilarious book from the writers of the Daily Mash, Britain's funniest satire website. This affectionate tribute to the nation's most dangerously unhinged newspaper features exclusive new material including Royal Buttocks Through the Ages, Brian Cox's Terrors of the Cosmos, Are you Auto-Erotic?, and Is the Celebrity Diet We Recommended Last Week Killing You? Also featuring star patients including Melanie Phlaps, Jan Faeces and The Voices Inside Liz Jones's Head, the 112 colour-packed pages of terrifying news, unsettling features and incredibly disturbed opinions includes 67.4% brand new material and more than 3,000 jokes, chaperoned by the best of the Mash from 2011 posing in one of Paul Dacre's loose-fitting nightgowns. "You give us 20 minutes and we'll give you the world. Unless it has been turned into one massive gypsy camp, in which case you only have yourselves - and the homosexuals who run the BBC - to blame."

From reader reviews:

Allan Carle:

Book is to be different per grade. Book for children till adult are different content. We all know that that book is very important normally. The book The Daily MASH Welcome to the Mental Hospital seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The publication The Daily MASH Welcome to the Mental Hospital is not only giving you a lot more new information but also being your friend when you feel bored. You can spend your spend time to read your publication. Try to make relationship while using book The Daily MASH Welcome to the Mental Hospital. You never feel lose out for everything if you read some books.

Pat Billings:

Why? Because this The Daily MASH Welcome to the Mental Hospital is an unordinary book that the inside of the book waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Sylvia Langley:

You are able to spend your free time you just read this book this guide. This The Daily MASH Welcome to the Mental Hospital is simple to develop you can read it in the area, in the beach, train as well as soon. If you did not include much space to bring typically the printed book, you can buy the e-book. It is make you much easier to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Eulalia Perry:

Is it a person who having spare time and then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This The Daily MASH Welcome to the Mental Hospital can be the solution, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?
