Entrepreneurs Handbook II: Second Edition Prof Bruce M Firestone

"You can think your way to wealth a lot faster than you can work your way there" Do you want to learn how to create significant value for yourself and your family in an enterprise that you own and control – value that can provide you the freedom and security to realize your lifetime goals? This handbook will teach you how to bootstrap yourself to success in the 21st century. This handbook will take you on a voyage to create the most compelling business models for the 21st century. We are going to look deep into the past at business models from decades past, as well as show you new models that may amaze you. You will learn how it is possible to reverse out much of your work, to create mass customization in products and services, turn products into services and vice versa, engage in negative cost selling, negative cost marketing and much more.
