Amazon Breakthrough Novel Award Semi-Finalist

The first three novels in the groundbreaking series that Publishers Weekly said "could easily open a fresh new world of urban fantasy."

Shaman, Healer, Heretic

Even for a techno-shaman, a kachina in the bedroom isn't exactly part of the drill. When Olivia Lawson wakes to find one towering over her, she panics. A Hopi god visiting the real world isn't just wrong—it's impossible.

Or is it?

Soon Olivia learns that the kachina is the least of her worries. As she struggles to save her clients, clashes with other shamans, and fends off the attacks of real-world vigilantes, Olivia finds herself in the destructive path of a malevolent ancient force intent on leaving the spiritual realm to conquer this one.

Left with few options, Olivia is forced to defy centuries of shaman prohibitions. As she and her allies risk everything in their bid for survival, Olivia ultimately learns that the rules are there for a reason and that breaking them has a terrible cost.

Shaman, Friend, Enemy

Patients with fractured souls, clients threatened by deadly ancestor spirits, and now the paparazzi—it's all in a day's work for techno-shaman Olivia Lawson. Livvy has rocketed to the top of the shaman world, bringing old friends with her but also attracting new enemies.

Even as her career soars, her personal life spirals downward. Broken bonds and lost love finally force her to confront the terrible secret of her beginning in shamanism. Despite being attacked by dark shamans and navigating a spiritual plane that seems out of control, Livvy's single-minded quest steers her into dangerous territory and puts her on a collision course with those dearest to her.

No longer able to walk a fine line, Livvy discovers that when the one thing you need is the one thing you can't have—you'll risk everything.

Shaman, Sister, Sorceress

If techno-shaman Olivia Lawson thinks a trip to the Hopi mesas is the escape she needs, she is gravely mistaken. Abducted from her tour, Livvy quickly discovers that all is not as it seems in the quiet villages.

Formidable shamans draw her into a bitter and centuries-old conflict. While Livvy struggles to do what's right, she can't help but pursue an unexpected chance to be with the man she loves.

But as prophecies turn deadly, even the gods of the Multiverse play their part and Livvy must choose—between this world and a new one, between action and acceptance, between duty and desire. With all existence hanging in the balance, Livvy finds that, where choice begins, innocence ends.
