The Life and Career of Major John André, Adjutant-General of British Army in America (Classic Reprint) Winthrop Sargent

Major Andre smeeing with A rnold, his subsequent attempt to return to New York, his capture, trial and execution. The favor with which this, my first book, was received has led me to edit and enlarge Mr. Sargent s Life the standard on its subject. I have been able to add somewhat to it both in notes and illustrations, and have much pleasure in giving, I hope, a new lease of life to so admirable a biography as this, of a character whose accomplishments and fate have made him one of the most noted figures of our Revolution. For most of the portraits I am indebted to the kindness of Dr. Thomas Addis Emmet, of New York. (F or the map mentioned in Mr. Sargent s Preface, I have substituted one drawn especially for my former work, several times larger and showing many more details than does that he refers to). William A bbatt. West Chester, N. Y., 1902.

(Typographical errors above are due to OCR software and don't occur in the book.)
