War looms on the horizon as 11-year-old Nickie and her aunt travel to the small town of Yonwood, North Carolina. There, one of the town's respected citizens has had a terrible vision of fire and destruction. Her garbled words are taken as prophetic instruction on how to avoid the coming disaster. As the people of Yonwood scramble to make sense of the woman's mysterious utterances, Nickie explores the oddities she finds around town. She is trying hard to save this crisis-ridden world.
