Chuck Close: Work Christopher Finch

Now available in a newly revised and expanded edition, this book offers the definitive critical examination of one of America's most celebrated living artists. Chuck Close reinvented portraiture more than four decades ago with a series of nine-foot-tall, black-and-white likenesses of himself and fellow artists, which astonished an art world dominated by Minimalism and Conceptualism. Close has since explored the possibilities implicit in his original breakthrough in an array of media. This lavish, large-format volume deals with all aspects of Close's career and places them in a biographical context. Christopher Finch's insight into Close's achievement comes by way of hundreds of studio visits and thousands of hours of conversation since he met Close in 1968. The author provides an engaging, in-depth analysis of Close's portraits on canvas, from the continuous-tone airbrushed heads of the 1960s and 1970s to the painterly "prismatic grids" of the past decades. Featuring 365 illustrations, the book surveys almost all of Close's paintings, including his most recent work, together with a selection of prints and multiples and examples of his photographic oeuvre. This beautifully designed volume reveals not only the variety of pictorial strategies Close has devised, but also the extraordinary personality of the artist behind the work.

From reader reviews:

Diane Gonzales:

Book is to be different for every single grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Chuck Close: Work was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The reserve Chuck Close: Work is not only giving you a lot more new information but also for being your friend when you really feel bored. You can spend your personal spend time to read your book. Try to make relationship while using book Chuck Close: Work. You never truly feel lose out for everything should you read some books.

Donald Bonilla:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the publications. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to their book. One of them is this Chuck Close: Work.

Debera Jessie:

A lot of people always spent their own free time to vacation as well as go to the outside with them family members or their friend. Do you know? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity that is look different you can read a book. It is really fun for yourself. If you enjoy the book that you just read you can spent 24 hours a day to reading a book. The book Chuck Close: Work it doesn't matter what good to read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to bring this book you can buy typically the e-book. You can m0ore effortlessly to read this book from the smart phone. The price is not very costly but this book offers high quality.

Antonio Ritchie:

The reason? Because this Chuck Close: Work is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your expertise and your critical thinking method. So , still want to postpone having that book? If I had been you I will go to the reserve store hurriedly.
