**MECCANO to TRILOGO: French to European vintage Star Wars action figure toys** Stephane Faucourt

“MECCANO to TRILOGO” released in October 2006, was the FIRST book published about Star Wars action figure toys from a European licensee - dedicated to the elusive Meccano line, by the French licensee in 1978, to the European Trilogo line that was available until 1986. It featured yet the most extensive coverage about both toy lines with the whole collections presented for the first time with additional information and photography. This commemorative edition of “MECCANO to TRILOGO” is a reprint of the original long sold-out book released in 2006, now highly prized by collectors. Its original content has been preserved strictly identical in terms of text and pictures; consequently, photographs were not enhanced and some information may appear outdated. The purpose of this reprint is solely to provide a book as a collectible itself. (for added content and coverage of the whole French merchandising, see 'La FRENCH TOUCH' book released in 2013)
