What if your best friend tried to ruin your life? Take two childhood friends: glamorous, rich Chrissie and clever, down to earth Anna. But what was once the perfect friendship - despite their differences - is now a web of lies and betrayal. Years ago, Chrissie did something terrible to Anna and it caused more pain and heartbreak than she could ever have predicted. Anna must never find out. But Chrissie's guilt is suffocating her - especially when the man they both loved walks back into their lives. When she starts to fall apart under the pressure, the one person she wants to confide in is the one person who must never know. But perhaps Anna isn't telling all she knows either ...Can a friendship made of a patchwork of lies endure? Will the truth end it completely? Or can Chrissie and Anna put their sweet little lies behind them?
