God is a Conservative: Religion, Politics, and Morality in Contemporary America

Kenneth J. Heineman

God is a Conservative: Religion, Politics, and Morality in Contemporary America Kenneth J. Heineman
From Billy Graham and Ronald Regan to Newt Gingrich and William Bennett, *God is a Conservative* provides an important look at the role of religion in conservative politics in modern America. Kenneth J. Heineman reveals the profoundly religious nature of contemporary conservatism, offering an intriguing look at the social history of moral politics over the last three decades, and the still tremulous aftershocks of the New Deal. With a new Preface that examines the Bush presidency, including a provocative analysis of his re-election, and the rising influence of the Conservative Right, *God is a Conservative* is essential reading for understanding today's American political landscape.
