Ten studies for individuals or groups

Jesus has always been endlessly fascinating to people, yet few know accurately the eye-witness record of Jesus found in the gospels. These ten Bible-studies in Marks gospel provide a great opportunity to find out the truth about Jesus, taking you on a journey of discovery through the first eight chapters, as the disciples learn who Jesus really is. Find out for yourself just how much Mark has packed into his brief account of Jesus!

You'll learn, beyond doubt, that Jesus is King, but also find answers to many questions: Why does this promised king come in such a secret way? Why is He powerful, yet opposed? Why does He stop people talking about Him? Why do some recognise Him, but not others?

Most of all however, with two very practical sections for personal application in every session, this course aims to help each of us live with Jesus as our king.
