Surrender to Seduction

Tired of being stuck in a pattern of boredom and loneliness, Miranda yearns for a chance to let loose and break out of the shell that has been holding her back for far too long. Opportunity knocks at her door one fateful night when her roommate invites her to a book reading at a local sex shop. Reluctant at first, Miranda attends the reading, which leads to a sweet party invite and ultimately being pursued by two hot guys, making for a seductive and naughty night she won't soon forget.

"I leaned my head back and closed my eyes. I didn't care about anything. Someone could have been watching and would probably think I was a whore, which by the looks of what we were doing I wouldn't be surprised. Right now I didn't care, I just wanted to feel. I wanted to feel the delicious sensations that were running through my body. I wanted to enjoy every minute and not worry about what other people would think if they saw me. I was tired of being safe and quiet. I wanted to experience a little of life and the exciting adventures it could bring me like this one. I wanted more."

Between the Alphas

Thea moves to Chicago for a new job and to re-invent herself in a new life. She receives more than she bargains for when she finds herself in the middle of a decades-old war between rivaling werewolf packs.

The alphas of the rival packs are warring not over territory or glory, but instead over Thea. They both want to claim her as their mate, sending Thea into deep, uncharted sensual territory.

Thea finds herself in a dizzying state of lust, passion, and indecision between the alphas.

WARNING: These stories are super hot with explicit scenes of desire and passion that do not leave much to imagination. This ebook is intended for adult eyes only!!
