Financial and Managerial Accounting, 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. New opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, *Financial and Managerial Accounting* is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts, and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements.
