Black Magic tends to attract those with suppressed sexual desires and sadistic inclinations who are drawn to the idea of satanic orgies and the sacrificing of babies - sorry, you won't find any of that here.

What you will find is real Black Magic.

In 1996 I wrote an unusual little book called *Demonic and Sexual Magick*, which dealt with the summoning of dark forces to do one's bidding and manifest their desires. It listed examples of people who had used the spells and rituals and rejoiced at the results they attained.

Ordinary people like John.T. who used the dark forces to receive \$1200 in less than seven days ... Adam.F. who used the Power to win at the roulette wheel ... Chris L. who inflamed a young woman with lust ... and David B. who used the dark forces to have a long term sexual relationship with a beautiful young neighbor. The response to DSM has been simply incredible. Today, 14 years later, I am still receiving emails from people the world over detailing the extraordinary effects produced by its spells, rituals and conjurations. One man from Italy regularly calls upon the Spirit Astaroth to bring money to meet his financial needs, and his requests have never gone unanswered.

Do the Dark Spirits exist?

Do they hear our pleas?

Do they answer our calls?

The answer is a resounding YES!

In this booklet, a continuation of the theories expounded in DSM, you will learn how to summon the Dark Spirits of the Night to shape the future such, that money will no longer be a problem.
