**BBC Radio Shakespeare: Much Ado About Nothing (Dramatized)** William Shakespeare

BBC Radio has a unique heritage when it comes to Shakespeare. Since 1923, when the newly formed company broadcast its first full-length play, generations of actors and producers have honed and perfected the craft of making Shakespeare to be heard.

In *Much Ado*, the clarity of radio allows the wonderful verbal sparring between Beatrice and Benedick to sparkle as high comedy and melodrama mix magically in a combination of prose and verse.

Revitalised, original, and comprehensive, this is Shakespeare for the new millennium.
