Feminist Frontiers

Verta Taylor, Nancy Whittier, Leila Rupp

Feminist Frontiers Verta Taylor, Nancy Whittier, Leila Rupp

The most widely used anthology of feminist writings and the first to incorporate issues of sexual orientation and sexual diversity, *Feminist Frontiers* has stood the test of time. With classic and contemporary readings that cut across disciplines and generational lines, *Feminist Frontiers* presents the full diversity of women's issues and experiences, exploring their similarities as well as their interconnected differences. *Feminist Frontiers* offers analyses of the causes and consequences of gender inequality in a global context and introduces students to feminist theory and methodology. A sociological analysis opens each of the four parts and eleven sections of the book. Boxed inserts featuring personal stories, news articles, and other items from popular culture complement the readings.
