Winner of the Parent-Tested, Parent-Approved Seal of Approval, iParenting Award, Mom's Choice Award, and Teacher's Choice Award.

There are no words to describe the changes in the lives of families when they learn that a child they love has been diagnosed with autism. This book was written for those families. It explains autism in simple terms, discusses the major characteristics associated with autism, and offers simple strategies for helping children with autism function in their homes, at school, and in the community.
