Willow: June (Mystic Zodiac) (Volume 6) Brandy Walker **July, the month of the Witch**

A bet between Eros, the God of love & desire, and Chloe (Chlotho), the Fate of birth, leads to a year filled with match-making and passion.

She's a witch looking for the love of her life...

Willow Davies is pinning all of her hopes on the Summer Solstice Celebration. She calls to the Goddess Aphrodite in the light of the moon to help find the love of her life, the man who is meant to complete her heart and soul, and Aphrodite answers. But Aphrodite warns that love can be surprising and by the Gods she meant it.

He's the warlock she's always seen as her nemesis...

Cedric Stone is ready to claim Willow as the love of his life, except she still considers him the enemy. They've known each other all of their lives and after a blind date gone horribly wrong, thanks to him, he realizes he's in love with her. It's his good fortune when he shows up on her doorstep and sees her wearing an enchanted moonstone, a gem known to be worn by those looking for love. It's the perfect way into her life.

What happens when he becomes the one she can't live without?

As the days go by and they spend more and more time together, Willow begins to wonder how much of Cedric's attention is because he truly is in love with her or because she's wearing an enchanted moonstone.

NOTE: Mystic Zodiac is a 12 book series. It is NOT a serial. Each book ends in a happily ever after for the main couple. However, the prologue and epilogue of each story follows the Gods that kick off the series, Eros and Chlotho (aka Chloe). At the end of the series the bet between the two will come to a conclusion.
