## **The Complete Kubrick** David Hughes

With just thirteen feature films in half a century, Stanley Kubrick established himself as one of the most accomplished directors in motion picture history. Kubrick created a landmark and a benchmark with every film; working in almost every genre imaginable, including film noir, war movie, SF, horror, period drama, historical epic, love story and satire - yet transcended traditional genre boundaries with every shot. Examining every feature film, from the early shorts through to classics such as Paths of Glory, Dr Strangelove, 2001: A Space Odyssey, A Clockwork Orange, The Shining, Full Metal Jacket and finally, Eyes Wide Shut, The Complete Kubrick provides a unique insight into understanding the work of cinema's most enigmatic, iconoclastic and gifted auteur.
