***Family is power. The Original Vampire family swore it to each other a thousand years ago. They pledged to remain together always and forever. But even when you're immortal, promises are hard to keep.***

*Klaus, Elijah and Rebekah Mikaelson had won it all, only to lose it again by 1788. Control of New Orleans is split between the vampires and the werewolves, much to Klaus's displeasure. In a dangerous attempt to reclaim his home, Klaus decides to build a vampire army to take out the werewolves once and for all. If he can't have love, then he'll settle for power. Elijah lets his brother take the reins as he turns his attentions to a beautiful and mysterious woman. But Rebekah has had enough of her brothers' love of bloodshed and begins a journey to find her first home and the key to her family's immortality. As the battle rages on, the siblings must come together and fight for what they believe in most: family.*
