Günter K. Stahl, Ingmar Björkman, Shad Morris

Handbook of Research in International Human Resource Management, Second Edition (Elgar Original Reference) Günter K. Stahl, Ingmar Björkman, Shad Morris

The second edition of this *Handbook* provides up-to-date insight into ground-breaking research on international human resource issues today. These issues are faced by multinational companies which can be as small as one person with a computer and Internet connection or as large as a medium-sized country.

Written by the field's most distinguished researchers, the book will stimulate thought for new research and provide a glimpse of where we have been and where we are going. The book explores issues such as the importance of linking IHRM activities to organizational strategy and culture; talent management; staffing; performance management; leadership development; diversity management; international assignment and mobility issues; and the role of IHRM in the management of global teams and cross-border joint ventures, mergers and acquisitions.

The *Handbook* illustrates that IHRM research is both theoretically deep and eclectic. Drawing upon a range of paradigms and perspectives this compendium will prove invaluable for HRM scholars, doctoral students, and others interested in IHRM research.

Contributors: R.V. Aguilera, A. Bird, I. Björkman, J. Bonache, C. Brewster, P. Caligiuri, W.F. Cascio, C.W.S. Chui, D.G. Collings, A. Colvin, O. Darbishire, S.C. Davison, H. De Cieri, J.C.
