The Killing Fields

The Killing Fields

Between 1975 and 1978, the Khmer Rouge brutally executed two hundred thousand Cambodians suspected of crimes against Pol Pot's regime. This book is a grim yet fascinating collection of Khmer Rouge photographs of prisoners as they were checked in to the S-21 death camp. Harrowed by interrogation and often, torture, these faces betray their fate--forcing the viewer to reckon with the circumstances that ever allowed these atrocities to occur. A powerful, important book.
