BILLIONAIRE ROMANCE: The Billionaire Connection with the Baby: A BBW First Time Romance (Contemporary Romance, New Adult Romance, Billionaire Romance) Caron Shea

Katie has to take her niece to go meet her billionaire father who doesn't know she exists. The baby is happy, and completely oblivious to what's going on around her, but Katie knows. Losing her half sister to cancer and making her a promise she'd take care of Lucy was something she would honor at all costs. She just hoped this playboy CEO could handle having a baby dropped in his lap.

Peter is shocked when Lucy and Katie show up in his office, but he handles the shock well and finds himself fascinated by Katie. He's open to children, he's always wanted them, but he wants Katie too. Finding a way to convince her to stay for a year to help Lucy and him adjust, he hopes that's enough time to convince her there's more chemistry between them than just Lucy.

Scared of emotional attachments, Katie tries to keep busy and from getting too close to Peter, but she lets him seduce her one night. In the end she realizes that her feelings for him will make it hard to walk away when the year is over.

Can Peter convince her to stay? When she finds out she's pregnant, he has the perfect opportunity to plead his case. Will Katie listen to reason, or will she let the fear of the unknown stop her from loving Peter and making a true family for Lucy and their unborn child?
