There is something truly special about baseball. The sound of the ball hitting the bat. The sound of the pitch crashing into the catcher's glove. The sound of sunflower seeds being eaten or stepped on. The sound of the crowd. The sound of the umpire. The sound of little brothers and sisters playing tag next to the bleachers. There's the smell of popcorn, of hot dogs, of wet grass during a rain delay. There's the joy of a hit, of a great play, of a victory. There's the hurt from making an error, from striking out, from not winning. There is something truly special about baseball that reaches all of our senses.

Current Back-To-Back-To-Back State Champion Coach, Drew Coolidge, is in the coaching trenches every day and shares his proven methods of coaching and developing players in today's organized sport's world. **There is a lot more to coaching than skills and drills** and **THE BASEBALL BIBLE** will give you the results you want...guaranteed.
