Las Vegas Escorts: Book Two

Ember is a drop-dead gorgeous Las Vegas escort. He notices Alejandro in some of the classes he teaches at his side business—a yoga studio. Then, color-blind Alejandro further captures Ember's attention when he's momentarily blinded by a quick change in light and needs Ember's help at a club. What Ember doesn't expect is the way Alejandro touches his heart.

Alejandro never intended to develop feelings for Ember. He's in Las Vegas for a year to sow some wild oats. But Alejandro quickly sees more in Ember when he sets out to make some of Alejandro's dreams come true—including a trip to the Grand Canyon and the beaches of LA. Alejandro's wild oats could turn into something memorable.

Ember knows keeping his escort job from Alejandro isn't the right thing to do, but he wants to be liked for who he is. Alejandro keeps his own secrets for the same reason. But Alejandro's family obligations, along with Ember's profession, could make it impossible for the two of them to stay together—unless they can figure out how to make the most of the gifts they've been given.
