Command the Morning: Daily Prayer Manual for Single Women (Command the Morning Series Book 5) John Miller

If you are a single woman and you are desirous of meeting your divinely-ordained life partner this year for marriage, your purpose is in order and it is in line with the will of God for your life. However, purpose alone is not sufficient to bring your desire to fruition. Even for women, there are tangible and intangible requirements which need to be fulfilled before entering into marriage. In addition and in parallel with your marriage desire, you need to make sure that you do not succumb to the tripartite forces of Self, Sin and Satan which, whether you like it or not, will try to work against you every single day.

To make your desires real this year you need to master the art of taking charge of your day so that the outcome of each day will always be in your favor. In this regard, "Command the Morning: Daily Prayer Manual for Single Women" is a unique book available to help single women everyday throughout the year. This prayer manual empowers you to actualize what was promised to you in John 14:12-14 so that you can fulfill your purpose and destiny on earth just like Jesus did, using the same instruments He used - prayers and commands. This manual also provides the essential prayers with which to fulfill the requirements of marriage as a woman.

If you truly want to have a say in the outcome of each day for your life, please do not leave your house in the morning without using this book. Without a doubt, if you do everything that is written in this book everyday and you have faith, you all will live a life of destiny fulfillment and achievement even as your life continues to please the Almighty.
