“He should be dead. I thought I’d killed him. I was wrong.”

Three dead Enforcers in three weeks, their bodies butchered. Muse has seen it before, and when she reads the metal memories in the murder weapon, she sees it all again. Her owner, Damien, is back, and he wants what is rightfully his.

Muse escaped him and the netherworld, once before. This time, she’s stronger, smarter. This time she knows she has the fires of hell at her fingertips, but so does Damien, and he’s not the only one. Akil is weak. No longer a Prince, he needs Muse’s limitless power to regain his title. How fortuitous then, that Akil’s fate is tied to the one man she cares the most for.

As Muse, Stefan, and Akil battle their own demons, not all will come away victorious. Some choices can never be forgiven. Some lies are never forgotten. Some wounds will never heal.
