**Understanding The Power Of GOD: Is your marriage pleasing to GOD, or just your self?** James E. McCullough

Have you ever at one point sat and thought that you could never do any wrong.

Have you also thought that no wrong could be done to you even got to the point of saying that no wrong would ever cross your path?

I used to be one of those people; the problem was I could not see any of the signs.

You see first of all I did not know what was going on and that I needed to get God to show me only I had to go through Jesus.

I didn't know who God was and I had no idea about Jesus.

This book deals with things that actually happened in my life.

I know it may be hard to believe I lived out what's has been placed in this book; you may ask how.

I sat down one day and I asked God what would you have me write if this was a message from you.

He gave me an answer.

I had no idea of what I would be writing that was until I had completed the book.

I began to read over the material I then started realized that this book had a live soul placed in it and that soul was mine.

What had taken place was; Jesus allowed me to give you a part of my life in order to change yours.

He also did the same for me; you see Jesus gave his life so that mine could change.

If you listen and allow him to come in to you life he will show you how to change and how he also died on the cross for you.

Will you give him a chance?

Please understand it will take a life time commitment not a day, a week or a month.

You have to be committed for the rest of your life.

You may make mistakes a long the way, that's why it will take a life time because you will always be in need of Jesus.

God bless you forever A-men.
