He spends his time working as a magician, running a cynical magazine that derides his parents. New Age beliefs, and drowning his sorrows over his lost love, Tori. He's trying to convince himself the past is the past. A promise he made to Tori has got him into trouble before, and Dave's determined to move on and not let that happen again.

Detective Sam Currie is a man with a past. His failure to prevent his son's death has ended his marriage and cast a shadow over his life and career. He's directed his hatred towards the one man he sees as responsible, but he has other priorities right now. A killer is stalking the city, abducting girls and sending texts and emails to their families before he kills them. When Dave Lewis appears to connect both investigations, it's an opportunity Currie can't resist...
