A bet between Eros, the God of love & desire, and Chloe (Chlotho), the Fate of birth, leads to a year filled with match-making and passion.

~~~~~

For three years Lisa Cannon has been at Jack Morgan's every beck and call. As his executive personal assistant it's in the job description, except she's beginning to think she's gone above and beyond the call of duty. She hasn't had time off in so long she's pretty sure her nymph side is dying a slow death inside. After arranging for a week away, she's set to feed her nymph with every sexual fantasy that comes to mind. If they happen to all revolve around the man who keeps her tied to her desk, that's all for the better.

Jack knows he shouldn't do it but does anyway. He cancels his assistant's vacation...again. He can't stand the thought of her unleashing her nymph side on anyone but him. Over the past three years he's slowly fallen in love with the petite beauty that keeps his personal and professional life running smoothly.

When Lisa goes on vacation anyway, Jack knows there's only one thing to do. He needs to find a way into the Mystic-only club and claim the woman who has stolen his heart.

~~~~~

NOTE: Mystic Zodiac is a 12 book series. It is NOT a serial. Each book ends in a happily ever after for the main couple. However, the prologue and epilogue of each story follows the Gods that kick off the series, Eros and Chlotho (aka Chloe). At the end of the series the bet between the two will come to a conclusion.
