Software Update: A New Day Liriel Saarinen

Alex just can't seem to catch a break. College graduate and still living at home. No Job. No Prospects. No Hope. And to make matters worse his dad's new Gold Digging Girlfriend Sarah is making his life hell.

But that all changes when he discovers a mysterious application running on her computer. Software that seems to control everything, and everyone around him. Has he gone crazy? Can it really be as powerful as it seems? Where did it come from? And more importantly, how can he use it to get payback on Sarah?

This story contains themes of mind control, bimbofication, obsession, slutty behaviour, and a whole pile of things most people will find offensive.
