Shame: A Stepbrother Romance Emma Soule

They say good girls finish last... Well, not true. Here I am. The good girl. Finished. Done. Ruined.

And it's all because of him.

My best friend is getting married and as her maid of honor, I'm determined to give her the wildest party of her still-single life, even if that means getting out of my comfort zone for a night. A trendy club, a few drinks, a naughty game, just a bunch of girls having a good time—what can possibly go wrong?

Well, how about everything.

He is the hottest, most confident guy I've ever met and he's determined to have me tonight.

I'm not a girl who'd settle for a quickie in the bathroom, but with him, I don't know who I am anymore. What's worse, he's not just a handsome stranger, but the stepbrother I've never met.

Falling for him is going to cost me everything, though I don't know that yet.

I'm the good girl after all. I'm supposed to finish last.

This is a complete, full-length novel with no cliffhanger and a HEA. It contains adult themes. Enjoy!

Ann Birdsell:

In this time globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The book that recommended for you is Shame: A Stepbrother Romance this book consist a lot of the information with the condition of this world now. That book was represented just how can the world has grown up. The dialect styles that writer use for explain it is easy to understand. Typically the writer made some research when he makes this book. Honestly, that is why this book acceptable all of you.

Matthew Haley:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Shame: A Stepbrother Romance can make you sense more interested to read.
