Everyday Success™ Preschool

Designed for total learning success by experts in elementary education, Everyday Success Preschool features a variety of essential early learning skills in a single volume. Specifically for preschool-aged children, this workbook reinforces concepts and promotes learning in three key areas: *Basic Skills (shapes, comparisons, opposites, same and different, and writing) *Math (numbers 0–10, ordinal numbers, patterns, time, and money) *Reading (alphabet, letter recognition, and reading comprehension) --Take learning one step further! To support independent thinking and discovery, Everyday Success offers a suggestion for children to continue each worksheet with a learning activity on their own. This encourages children to take what they've learned and apply it to everyday situations, reinforcing their comprehension of the activity while exploring the world around them. --The Everyday Success(TM) series includes 288 full-color pages that will provide hours of education entertainment and make your child want to come back for more! Each workbook is spiral bound so that pages lay flat, and each book includes a complete answer key.
