What will the future of trading look like? What can online investors and traders do today to prepare for and profit from the inevitable changes that are coming up over the next few months or years? Drawing from their collective 60+ years of trading experience, best-selling authors and traders Abell, Koppel and Johnson peer into the future for online investors and traders to answer these questions.

Mapping the digital landscape, they review the results achieved by technological changes that have already attracted legions of investors to electronic trading exclusively, and pinpoint the greatest profit opportunities for investors in equities. Moving to a 24/7 digitized market means lightning-fast changes. The skills required to succeed must be laser sharp. Abell, Koppel, and Johnson give traders the inside scoop on how to:

- \*identify what to expect and how to prepare accordingly
- \*determine when the changes will occur to time appropriate strategies
- \*profit in the electronic trading arena
