Think Success: A Guide to Achieve the Good Things in Life. Mauricio Chaves Mesen

Mauricio Chaves, with many years in the field of motivation and personal growth, as an author, speaker, translator and editor of hundreds of motivational books, presents THINK SUCCESS (Yes! to Success) one of the most entertaining, concise and powerful books on the subject of success written lately. Success is not only to accumulate great fortunes; but to have big dreams and fulfill them! This extraordinary book teaches us to dream, but also to set clear goals and develop concrete plans, believing in ourselves and in the great capacity we have (but many insist on denying). Success, happiness and prosperity are blessings that come to those who: • develop the right mindset, • accept that they are full of potential, • believe they are capable of achieving great things, • and do what is necessary to achieve what they want. They are not a privilege of the “super smart” or those with more money; or everyone but you. They are a reward for those: • who use the talents and the ideas that God put in their hearts, • who strive and persist in doing things right, using imagination and common sense consistently, • who develop positive values and emotions. • who block negative emotions such as frustration, anger, stress, anxiety and remorse; • who get away from bad habits; from ideas of failure or defeat, from painful memories, and from negative relatives or friends. • who don't sit and wait for great opportunities, but take common occasions and make them great. Success belongs to those who finally and foremost, believe in themselves. To those who have faith, believe and hope for the best. To those who understand that the difference between “ordinarity” and greatness, is not in the tools or the potential; but in the goals and the confidence of those who become great. Right here, right now, success is calling you. It has been doing it for some time; knocking on your door, waiting... Are you ready? This is your chance! This is the moment when everything changes, the beginning of your new life, your real life, the one you've been preparing to live for so long... You are going to learn how to manifest this feeling. You are going to learn how to make success, happiness, abundance and prosperity feel comfortable with you... so they would want to stay forever! Now, open the door of your mind; let success into your life... and you better believe it, because it is really happening! Close your eyes... and feel it! Let's start...
