My Father's Daughter: A Memoir

Tina Sinatra

My Father's Daughter: A Memoir Tina Sinatra

A startling, compelling, yet affectionate portrait of an American entertainment legend by his youngest daughter, who for the first time writes about the man, his life, the accusations, and about the many people who surrounded him -- wives, friends, lovers, users, and sycophants -- from his Hoboken childhood through the notorious "Rat Pack," and beyond.

Complete with many never before seen photographs taken directly from family albums, and placing special emphasis on his later years and his marriage to Barbara Marx Sinatra, Tina's personal exploration of this difficult final period in her father's career will solidify our image of Sinatra as a great performer and reinforce him as something even greater: as a father, and as man.

Steven Allen:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this My Father's Daughter: A Memoir can make you truly feel more interested to read.
