In this expressively illustrated book, the favorite song becomes a wondrous nighttime tour of the world's animals, all snuggling up for bed under the stars. Summary: From the desert to the poles, the seas to the savanna, everyone is ready for bed! An owl wraps her wing around her owlet. He tucks his head into her feathers as she points up to the twinkling stars. A whale and a calf poke their noses above the waves to gaze at the constellations. A lion curls up in the grass with a cub beneath a shimmering sky. Combining familiar lyrics with soothing scenes, this sweet picture book is a relaxing bedtime read-aloud.
